19th July 2017

Dear Parents and Carers

In this last week of the academic year I would like to express my thanks on behalf of the Governing Body to all the staff, parents, carers, and children of Graveley for making it another fantastic year. Having watched the Class 4 production of Mary Poppins last week it highlighted what Graveley is all about. What a supercalifragilisticexpialidocious performance!

As always the school continues to produce high standards and progress throughout all Key Stages. However, whilst success in the curriculum is clearly important, all the other things such as developing independence, creating resilience, developing good social skills, and developing personal values are things that Graveley does so well and are equally vital for our children. The staff, I know, give so much energy and commitment to ensure this happens and I am aware Graveley is blessed to have them. Of course such a good team requires an outstanding leader and Mrs Massey has fulfilled this role over the last 9 years ensuring that the school has gone from strength to strength. Whilst the school has a new and exciting chapter beginning in September I would personally like to thank Mrs Massey for all her hard work, commitment and her willingness to work with me and the governors to ensure the very best outcomes for the children. I wish her all the very best in her new school. They are lucky to have her.

Finally I would like to give my best wishes to our brilliant Year 6 pupils as they pass on to Secondary School, and begin that exciting but all too rapid growth into young adults. I can just about remember it! Have a lovely holiday everyone.

Kind Regards
Albert Swinson
Chair of Governors
