<b>Date of policy</b>	<b>Summer Term 2026</b>
<b>Ratified by the Governing Board on</b>	<b>20/5/2026</b>
<b>Date of next review</b>	<b>Summer Term 2028</b>

## **1. Introduction**

It is our policy that all children should wear school uniform when attending school, or when participating in a school-organised event outside normal school hours. We provide a complete list of the items needed for school uniform in our school prospectus.

## **2. Aims and objectives**

Our policy is based on the notion that a school uniform:

- promotes a sense of pride in the school;
- engenders a feeling of community and belonging;
- is practical and smart;
- identifies the children with the school;
- makes children feel equal to their peers in terms of appearance;
- is regarded as suitable, and good value for money;
- has been designed with health and safety in mind.

#### **5. Jewellery**

On health and safety grounds, we do not allow pupils to wear any jewellery in our school unless it is a medical alert bracelet. These include earrings which must be removed.

#### **6. Footwear**

The school wants all children to grow into healthy adults. We believe that it is dangerous for children to wear shoes with platform soles or high heels in school, so we do not allow this (even on own clothes days). Shoes made out of breathable material such as leather are preferred and totally plastic shoes (such as jelly shoes) are not acceptable.

#### **7. Seasonal Safety**

All pupils require a coat in school when the weather is changeable, cold or wet. On hot sunny days, children should be protected from the sun when outdoors by:

- wearing a hat or cap
- wearing an appropriate SPF sunscreen that has been applied at home first and then brought into school to be re-applied by the child themselves if required (school adults are not permitted to apply sunscreen for pupils). Pupils must not share sunscreen with others due to allergy risks.

#### **8. The role of the School**

The school accepts no liability for loss or damage to uniform or personal items worn or brought into school. In the event of infringement of the school uniform policy, in the first instance, a member of staff may have a discrete discussion with an older pupil regarding any explanation of infringement and any remedial action that might be required. (For example, a child might be asked to change into P.E. trainers if their footwear is unsuitable for wear in school or a child is wearing a hoodie to school instead of a jacket but then continue to wear it in the classroom, would be asked to remove it and hang it on their coat peg). In the event of persistent or flagrant infringements, parents will be contacted via email or telephone.

#### **9. The role of parents**

We ask all parents who send their children to our school to support the school uniform policy. We believe that parents have a duty to send their children to school correctly dressed and ready to their daily school work. Parents should ensure that their child has the correct uniform and that it is clean and in good repair. **All items should be clearly marked with the child's name.**

If any parent would like the school to modify the school uniform policy for their child, they should contact the school to discuss options. The school welcomes children from all backgrounds and faith communities. If there are serious reasons, e.g. religious objections, why parents want their child to wear clothes that differ from the school uniform policy, the school will look sympathetically at such requests. Similarly, should an item of school uniform prove problematic for a child with disabilities, then parents are invited to draw this to the attention of the school. The school will not treat pupils with disabilities unfavourably. Supporting medical evidence may be required.

## **10. The role of governors**

The Governing Board determines the whole school uniform policy and supports the Headteacher in implementing it. It considers all representations from parents regarding this policy, and liaises with the Headteacher to ensure that the policy is implemented fairly and with sensitivity.

It is the Governing Board's responsibility to ensure that the school uniform meets all national regulations concerning equal opportunities, and that our school uniform policy is consistent with our policy on equal opportunities.

Governors ensure that the school uniform policy helps children to dress sensibly, in clothing that is hardwearing, safe and practical.

## **11. Monitoring and Review**

When monitoring this policy, through its committee work, the Governing Board will:

- if necessary seek the views of parents, to be sure they agree with this policy, and support it (for example during a change of school uniform supplier);
- consider with the Headteacher any requests from parents for individual children to have special dispensations;
- require the Headteacher to report to the governors on the way in which the policy is being implemented.

This policy will be reviewed by the Governing Board every two years, or earlier if considered necessary.
